

FLESH & BLOOD

Key G BPM 134 4/4

Music and Lyrics by Hollis Moore

Verse 1

G **D**
Oh what love, that the majesty of Heaven
C
Would enter in my brokenness
G
And be made flesh and blood
D
That He would walk the path before me
C
Bear the curse for all my pain
G **D**
The King made low to lift my heart

Chorus 1

C **Em**
If You could lay Your crowns down at Your throne
G **D**
Then surely I will lay mine at Your feet
C **Em**
If the price You paid for me was all You are
G **D**
Then surely I will give You everything

Verse 2

G **D**
Oh what grace, that the spotless lamb of glory
C
Would place His life upon a tree
G
And give His flesh and blood
D
Though my sins were beyond measure
C
Every scar would hold my shame
G **D**
His final breath would bring me life

Chorus 2

C **Em**
If You could lay Your life down at the cross
G **D**
Then surely I will lay mine at Your feet
C **Em**
If the price You paid for me was all You
G **D**
Then surely I will give You everything

Bridge

C **Em**
Hands lifted higher, heart opened wider
G **D**
I stand surrendered in the light of all You've done
C **Em**
Withholding nothing, I'm Yours for the taking
G **D**
I stand surrendered in the love that gave it all

Verse 3

G **D**
Oh what life, that the resurrected Savior
C
Would hold my heart in His embrace

And call me His flesh and blood
D
That I would share in all the riches
C
In the joy of salvation
G **D**
Forever, Jesus, I am Yours

Chorus 3

C **Em**
If You could raise Your life up from the grave
G **D**
Then surely I will rise in victory
C **Em**
I know the price You paid was all You are
G **D**
So, Jesus, I will give you everything
